STOP THE HATE CAMPAIGN!

An extremist group organized in Colorado Springs is trying to change the state Constitution to tell Colorado's cities and towns they can't make certain laws -- even if a majority of citizens want those laws!

'Colorado for Family Values' has filed enough signatures with the Secretary of State to place an initiative on the November 1992 ballot which, if passed, would amend the Constitution to prevent our state, our cities and towns, and even administrative agencies from passing or enforcing civil rights laws which protect our fellow Coloradans from discrimination on the basis of sexual orientation. In short, they want to take away our right to determine what civil rights laws we want in the towns where we live.

STOP THE STATEWIDE HATE CAMPAIGN! Sign below to show your opposition to the proposed amendment, in agreement with the following statement:

> **"I oppose a constitutional amendment *that would prohibit Colorado citizens from voting on, passing, or enforcing civil rights laws* which protect the citizens of our state from discrimination on the basis of sexual orientation."**
>
> **My name, or my organization name, may be used by EPOColorado -- the Equal Protection Campaign as an opponent to such an amendment."**
